- publication
- making science publications more accessible

# From a student's point of view

multidirectional outlook on Ukraine

playing a part in change

the importance of CMJ

a gleam into the vast world of science

spreading the message

the living proof

# Hi!

## My name is Mariia

- Interested in psychology
- Studying at the University of Split

# Activities

Currently: together we are working on the story about my journey

ST Open Journal - an amazing opportunity to publish works of early-career researchers

Volume 4

2023

[st-open.unist.hr](http://st-open.unist.hr)

ISSN: 2718-3734

# The precious part

Strengthen my  
skills and abilities

Apply gained  
knowledge

Get to know the  
process of  
publishing a  
research

Being a part of an  
inspiring  
community

Thank you for  
your time and  
attention!
